Welcome to the Step 1 Allstars Family!

We understand in addition to providing training in high level skills and proper skill progression, it is important to also focus on participants learning important life skills such as teamwork, leadership, and sportsmanship. The Step 1 Allstars Staff is committed to working hand in hand with our athletes and parents in all these areas to ensure we collectively achieve our goal of successful athletes and competitive teams.

The best part is, Step 1 Allstars has a place for everyone to be successful! It doesn't matter the level of experience; we have teams for all ages and levels.

EVALUATIONS & CALLBACKS

NEW THIS SEASON!

All returning athletes will ONLY attend callback sessions.

New athletes must attend individual evaluations, as well as callback sessions.

RETURNING ATHLETE CALLBACKS: MAY 23-25 2023

**NEW ATHLETE EVALUATIONS: MAY 31 & JUNE 1
2023**

**FINAL CALLBACKS FOR ALL ATHLETES:
JUNE 5&6 2023**

Once Callbacks are complete the staff will form the official 2023-2024 Step 1 Allstars teams. Step 1 will spend many hours evaluating & developing the teams that we believe will be the most competitive and successful.

NEW THIS SEASON!

After teams are announced, teams will practice together during a team trial period from June 12-22, 2023 to further assess the team dynamic and setup to ensure we have created the best possible teams to lead to a successful season.

After which any changes will be communicated, followed by the FINAL roster announcement on June 24, 2023.

EVALUATION FEES & INFORMATION

Evaluation Fees

Returning Athlete Registration - \$60 (Prior to May 10, 2023)

Returning Athlete Registration - \$75 (May 10-21, 2023)

New Athlete Registration - \$90 (Prior to May 21, 2023)

Any Athlete Registration After May 21, 2023 - \$100

(All Evaluation Fees are non-refundable)

The Step 1 Allstars tryout process is unique, developed after our years of experience, we believe a combination of Individual Athlete Evaluation Days and Callbacks Sessions, are the best way to appropriately form teams. The Athlete Evaluation, simply put is an evaluation of existing skills and athlete potential with the focus on the individual athlete. In a motivating and relaxed environment, each athlete is encouraged to demonstrate her or his skills.

Callbacks then allow athletes numerous opportunities to further demonstrate their skills and work ethic, both individually and with others. Throughout this entire tryout process, the Step 1 Allstars staff will assess a combination of athlete's tumbling, jumping, and stunting skills, as well as future potential. This is all done from the perspective of providing each athlete the greatest opportunity to excel and develop.

FINANCIAL INFORMATION & POLICIES

Although we can't be certain of exact fees until teams are formed and expenses are factored in, the below approximation of fees will help to prepare your finances for the season. Step 1 Allstars uses all-inclusive monthly billing for almost all expenses. Instead of different fee amounts billed out each month, there will be one consistent fee that covers almost all fees. The goal of this policy is to make monthly budgeting easier on the Step 1 Allstars parents.

Step 1 Allstars is a year-long commitment, with 11 months of monthly billing. The all-inclusive fees include services such as monthly training, choreography fees, music fees, competition entry fees, and coaches fees.

POLICIES

- All fees are due by the 1st of each month.
- A late fee of \$50 will be assessed on the 4th of every month if the account is not paid in full.
- All members are required to keep a valid credit card on file which will be charged on the 1st if fees are not previously paid by another means.

It is important to remember that many other programs may not collect fees in the same manner. It is not uncommon for a gym to advertise a low monthly fee for "tuition" and charge extra fees for the rest of their expenses, charge monthly fees for a longer period of time, or to neglect to advertise all fees in a manner to appear less expensive. Step 1 Allstars aims to provide our customers with a program that is worth the investment, and upfront financial information.

FEES & COSTS

We hope this information helps you plan ahead for the 2023-2024 Season.

COMPETITION SPECIFIC INFORMATION

UCA Allstar Fee - if UCA is on the schedule for a team, there will be an additional fee charged that is not included in the all-inclusive fee
Worlds Coaches Fee - TBD based on the type of bid received & fees associated with the competition
Worlds Fee - TBD but plan for at minimum \$500 for the entry fee
Non-Worlds Post Season Coaches Fee - TBD based on the type of bid received & fees associated with the competition
Non-Worlds Post Season Fee - TBD but plan for at minimum \$500 for the entry fee

GENERAL INFORMATION

Although competition cheer is not as costly as some other youth activities, it can still be considered expensive. Please realize that there are additional expenses that will occur by attending competitions, in addition to the gym fees and the additional fees listed.

Travel is not included and will not be billed out through Step 1 Allstars. It is the responsibility of the athletes/family to make and pay for all travel arrangements. Although many of our competitions are local and do not require extensive travel; higher level teams, Worlds and/or Summit teams may incur more travel than other teams. We do our best to keep travel to a minimum when possible in conjunction with providing the best experience for the athletes and their teams

FEES NOT INCLUDED MONTHLY
